PITBOSS CERTIFICATION SYSTEM

Every exam is AI-generated from official rulebooks. No two attempts are identical. Pass the threshold or sit the lockout — there is no shortcut to certification.

AI

GENERATED QUESTIONS

HOW IT WORKS

Select your league and role. Questions are generated fresh from official rulebooks using Claude AI. Every attempt is unique. No hints. No repeat questions.

PASS STANDARDS

TRL: 95% minimum across all roles. WSC Steward: 90% minimum. A

score of 94% on a TRL exam is an Institutional Failure — no rounding. Fail = 24-hour server-side lockout.

SPECIAL RULES

WSC Steward scoring 95%+ earns an optional TRL Steward exam invitation. All Steward exams include a mandatory Practical Incident Scenario after the main exam.
